Volume 1, Number 2, May 5, 2010

It just keeps getting better!

Check this out! It may not look like our trailer, but it **IS** our trailer! Our small mobile home Ministry Center, affectionately known as “Jubilee #35,” has undergone quite a transition. The kitchen floor has been built up to make a smooth foundation, and vinyl has been glued in perfect place. The carpet has been stretched and attached professionally in the living room and the office. Eric Mandella is a pro at this stuff and we appreciate the days of time he put into this trailer.

We now have two couches, an end table, lamp, fridge, stove, two coffee makers, copier, area rug, entertainment center, microwave, DVD player, VCR, TV, and a brand new toilet – all of it donated! We are extremely blessed.

Next, we’ll be working on the bathroom, laundry room, deck, and yard.

Kids' BBQ

Friday Nights at Jubilee #35

Friday, April 9th was Jubilee’s first formal ministry activity in the trailer Park. Candie Anderson, from New Life Church, began her weekly Bible Study, Craft, and BBQ time for kids. This ministry starts each Friday Evening at 6:00. It was an awesome kick-off!

On the 16th, we hosted an Open House for anybody to attend – park residents, volunteers, and anybody else who wanted to check things out. We’re guessing we had around 70 people or so show up. It didn’t hurt that we served dinner and had a bounce house for the kids.

Thank you sooo much to everybody who showed up to work on Jubilee #35!

Weekly Calendar

Now that the trailer is up and running, we're starting a ministry routine. The first Monday evening time went great. Kids (Preschool to Middle School) and a couple parents from the park and around the park came, hung out, and played with the toys and games. Since then, there has been a consistent showing of kids for stories, snacks, and hot chocolate each Monday evening.

It's been fun watching kids come for afternoon stories and serving people coffee and donuts on Friday mornings!

We expect this schedule to grow and change, but here is what our weeks are looking like now!

Clothing Distribution Day!

On Saturday, May 1st, Beck Gambill and Cody CMA Church brought an awesome team of people to Jubilee #35 for a clothing distribution day. We came with our old U-Haul truck quite well packed with clothing and were able to give away roughly half of what we brought! This was a great chance for people to be blessed with some good clothes, and also for us to continue to build friendships with people who live in the park.

We were also able to let people know about a free oil change ministry around the corner. Several people were blessed by that as well!
